

The Experience

Hippo, Hippo, Caterpillar, Hippo..... Chicken, Chicken, Caterpillar, Chicken.....

these are the sounds of our conference product, **Dog Chicken Dog™**. Take part in a unique blend of sounds and rhythms made from the most surprising elements.

Participants first learn and then play their instruments in increasingly complex combinations until a brilliant finale is achieved with everyone contributing to a pulsing beat of captivating music. They will understand and appreciate that their individual talents can increase tremendously when accompanied by a whole orchestra of talents. **Dog Chicken Dog™** makes musicians out of even the most musically challenged!
