

GOLD OF THE DESERT KINGS™

THE EXPERIENCE

Teams rush to compete
against each other in this

challenging race across the desert. Their goal?

Battle the elements to get to the mountains to
mine for as much gold as possible and return

home alive. Teams are forced to be as productive
as possible with limited time and resources.

Participants will experience the benefits of
teamwork, planning, setting goals and taking
necessary risks.

THE DETAILS

Overview

Gold of the Desert Kings™ addresses the issue of effort versus productivity. Participants are placed in circumstances with limited time and resources and must rely on their team to achieve their goals. The pressures and anxiety experienced in Gold of the Desert Kings™ are similar to those experienced daily in a hectic work schedule. Participants contend with deadlines, a perceived lack of resources, others' point of view and the pressure to just do something while trying to accomplish team objectives.
